

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

NIC #2723-83  
12 April 1983

MEMORANDUM FOR: Director of Central Intelligence  
Deputy Director of Central Intelligence

FROM: Henry S. Rowen  
Chairman, National Intelligence Council

SUBJECT: Defense Intelligence Agency's Indications and  
Warning Seminar

1. I recommend that you accept the DIA's invitation to address their Seminar on "Indications and Warning in the Future" on 17-18 May. They suggest that your presentation be on "Economic Indications and Warning," although I am sure you could pick another topic if you prefer. Dave McManis tells me that the Seminar, an annual affair, has been attended by senior officers from the US Commands, as well as from Washington agencies. DIA is trying to bring in the Vice President as a keynote speaker.
2. Should you agree to speak on economic warning, Maurice Ernst is prepared to give you any support you may desire.
